

Sons of Daniel Boone Spring Rendezvous

March 27-29, 2009

Hohn Scout Reservation

Greetings fellow sons. Your hard work, dedication and continued support of our camping program have made us strong and the time has come for us to once again build upon the strengths of our society at our 2009 Spring Rendezvous! Our rendezvous will be an exciting opportunity for us to come together in fun and fellowship to renew our dedication to our Society. This is also the occasion where we will elect our society officers for the coming year. I ask that you stand ready to take your place amongst the leadership of our great Society.

The Rendezvous will begin on Friday, March 27th and end on Sunday, March 29th. The society will furnish meals from Saturday breakfast through Sunday breakfast, with the cooking done by several volunteers. An agenda for the weekend is included in this mailing. We will need volunteers to cook and members of all levels to help with the ceremonies.

The fee for this event will be \$15 per member. This will cover 4 meals, building usage and insurance. We will also have totem supplies and beads available for purchase and hope to have trading post materials arrive in time as well. Please return the registration form by March 23rd to confirm your attendance and guarantee your food. I look forward to seeing you in March.

Yours in camp service,

Daniel Boone
